DATA PROTECTION AND PRIVACY RIGHTS

WE Do It Together - ROLE PLAY!

MOVING FORWARD >>>
● Do not take photos or record the session without the consent of others.

● Choose a name you are comfortable with, if you want to use the camera or a virtual background.

● Zoom is not a private place, it keeps track of our information. Consider this when sharing secrets or sensitive information.
COMMUNITY GUIDELINES

● **Let's ask questions!** It is always best before taking on board the opinions of others.

● **Respect, patience and flexibility** when giving and receiving feedback.

● This space is about **having fun and connecting with a global community.**
• Promote wider a knowledge and debates about rights-based data protection/privacy digital policies.

• Research about educational practices that can amplify the participation in data protection/privacy policies, especially in regards to children.
DATA PROTECTION & PRIVACY RIGHTS
Zoom is not a private place, it keeps track of our information. Consider this when sharing secrets or sensitive information.

What does privacy mean to you?

How are privacy and personal data related?
PRIVACY & PERSONAL DATA

DATA COLLECTION LISTS
CHEAP!

SOC. SEC. NUMBERS
DRIVER'S LICENSE NUMBERS

DIGITAL RIGHTS = HUMAN RIGHTS

Why would privacy be a human right?
CHILDREN’S PRIVACY

Leave him alone!

He just plays Plants against Zombies!

Does this child see dead people?!

He has a sixth sense?

UN CRC 30 year Illustrated Book
WE Do It Together - ROLE PLAY
1) Learn about a specific case in regards to children’s rights and digital policies.

2) Divide into different groups involved (government, tech company, students and educators)

3) 15 minutes to elaborate policy recommendations.

4) Take notes and share it!
Different shapes: laws, institutions, research, programmes... from an intention to not doing something.

Processes of decision making and generating knowledge.

Dynamic, can have cycles from design, implementation and evaluation.

Formal and informal actors are involved.
URUGUAYAN CASE

Ceibal invites various groups discuss and propose a solution:

What would be the recommendations proposed by each group?
Digital Rights are Children and Human Rights.

The mere collection of information of a person’s identity affects their right to privacy.

Children’s rights misunderstood and undermined in digital policies.

Children’s right to participate widely overlooked.
CONSENT

Freely Given
